Counties

Who We Are:

The West Branch Drug & Alcohol Abuse Commission provides bi-county leadership in the implementation and ongoing development of policies and programs toward a recovery oriented system of care for substance use disorders. The Commission is dedicated to ensuring quality prevention, intervention, treatment and recovery services that build healthy individuals, families and communities in Lycoming and Clinton Counties.

The West Branch Drug & Alcohol Abuse Commission provides services without discrimination due to a person's age, sex, color, race, religion, creed, ancestry, national origin, disability, veteran's status or sexual orientation.
